

COMBI No. 109137

MARTOR
Solingen

Same as RUCK-ZUCK, but COMBI offers two further advantages: A highly simplified blade change routine plus the integrated metal tin (removable) to slit cardboard box adhesive tapes. Also for trouble free work with thick plastic sheeting, leather, plastic box strappings and, even, seat belts. **Also available with stainless steel blade.**
"GS-TESTED FOR SAFETY".

Installed Blade:

No. 37040 (37 BR)
deep-edged, 0.40 mm

These Blades may also be used:

No. 13730
stainless, 0.30 mm

No. 83730
stainless, TiN, 0.30 mm

IMPORTANT: Strappings should always be cut in a 45° angle!
