

EU type-examination certificate

C2457.3BLUE EAGLE

Applicant / manufacturer	Polison Corporation 282 Heping Second Road Qianzhen Dist. KAOHSIUNG 80651 TAIWAN R.O.C.
Identification of the manufacturer	BLUE EAGLE
Product type	Face-shield / visor, affixed to headgear and safety helmet, intended to protecting against a short circuit electric arc
Model name	A8+FCA8+C3
Standard(s) / technical rules	Essential requirements according to Annex II of the PPE-Regulation (EU) 2016/425 EN 166 : 2001, EN 170 : 2002, DGUV GS-ET-29 : 2011
Test report(s)	1300-ECS-17 / MR 13002-ECS-17, 2324-ECS-18 / MR 23242-ECS-18, 2457-ECS-19 / MR 24572-ECS-19
Material	Polycarbonate Hard Plastics
Specifications	Luminous transmittance NA: 50% Optical class: 1, UV-filter, Recognition of signal lights (C) Protection against high-speed particles, high energy impact at extremes of temperatures (AT) Protection against short circuit electric arc (8), Arc class 1, Transmission class 1 Protection against molten metals and hot solids (9) Protection against splashes of liquids (3)

Herewith, ECS certifies that the named model complies with the essential requirements for health and safety as they are provided by the European Regulation (EU) 2016/425 for Personal Protective Equipment. This certificate is based both / either on the test results as they are summarized in the named test reports, and/or on the technical documentation as it is delivered by the manufacturer. The applicant / manufacturer agrees to the General Business Rules of the ECS GmbH and to additional agreements as they are named in the application for conformity assessment.

The eye-protection device is to be marked as assigned. Either / both the frame and/or the ocular, spectacle, goggle or shield must be signed, as appropriate. If different markings have been assessed, the lowest marking must be applied, respectively. The validity of this EU type-examination certificate will expire on the date as mentioned below, and/or if the manufacturer modifies the safety-relevant properties of this product with comparison to the tested one and/or if the requirements in the standards or technical rules will be revised and/or tightened.

Name, address and identification number 1883 of the notified body ECS are to be indicated in the information brochure of this product.
