

## LESPEX E3030

**WORKSafe® Lespex** is a light-weight overspec with a contemporary look that fits comfortably over most prescription spectacles or on its own. Despite its smaller design, **Lespex** offers you unobstructed vision and maximum protection without compromising on comfort and style.

### FEATURES

- Overspec design
- Simple and contemporary design
- Wraparound frame for maximum protection and vision
- High impact resistant polycarbonate lens with 99.9% UV protection
- Hard coated (HC) lens for anti-scratch
- Integrated universal fit nose pads
- Suitable for use as visitor spectacle
- Complies with EN 166: 2001 and SS473: 2011

All contents, product information and specifications are subject to change without prior notice.
