

A Heavy-Duty SAFETY Cutter **for use by right- and lefthanders**. Handle made of solid die-cast zinc. With automatic blade retraction and blade control slider on top. For horizontal cutting work only! Let go of the slider when making the cut! "GS-TESTED FOR SAFETY".

No. 08152

No. 08156

MULTISAFE No. 08152  
Installed Blade:

No. 5232  
deep-edged, 0.63 mm

MULTISAFE No. 08156  
Installed Blade:

No. 56  
0.63 mm

This is the trick: the automatic blade retraction is designed to respond to any uncontrolled move if and when the blade slider is NOT in forward position – let go of the slider when making the cut!
