

PIG® Blue Absorbent Sock

#4048 - 3" x 48" • Absorbs up to 95 oz. per sock • 40 socks

Surround spills to prevent spreading with our heaviest absorbent sock. Extra-fine vermiculite filler pulls in liquid and hugs floors to stay in place.

- The heaviest sock we make features extra-dense construction to hug floors and stay in place while containing spills
- Fine-grade vermiculite filler quickly absorbs leaks, drips and spills; great for spill response or absorbing machine leaks
- Stitch-bonded, polypropylene skin resists bursting; reduces dust and holds in liquid, even when saturated
- Absorbs and retains oils, coolants, solvents and water
- Ideal for diking and damming liquids
- Can be air-dried for reuse when soaked with water
