

PIG® Original Absorbent Sock

#404 - 3" x 42" • Absorbs up to 64 oz. per sock • 40 socks

This sock's been around the block, hugging machine bases since 1985! Your best choice for economical, everyday leak protection.

- Formable socks hug corners and surround machine bases to absorb machine leaks, contain puddles and help keep workers safe
- Contained corncob filler pulls liquids from the floor for maximum absorbency while making cleanup quick and easy
- Polypropylene skin resists tearing; reduces dust and holds in liquid, even when saturated
- Absorbs and retains oils, coolants, solvents and water
- Corncob filler is light-weight and economical to handle general, everyday tasks
- Can be incinerated after use to reduce waste or for fuels blending
