

PIG® 4-in-1® Absorbent Mat Roll in Dispenser Box

#MAT284 - Medium-weight • 16" x 80'

This versatile mat roll can also do work as a pad, sock or wiper. You can stock just one absorbent and still handle a variety of leaks, drips and spills.

- Exclusive 4-in-1 Mat is a pad, roll, sock and wiper all in one!
- Use as a pad to catch drips and soak up spills; roll out to cover large areas; fold along score lines to make a thick, absorbent "sock"; tear off a piece to use as a low-lint wiper
- No matter how you use it, this mat builds on the proven eight-layer, 100% polypropylene construction of PIG Mat, the strongest mat on the market!
- Scuff-resistant, spunbond outer layer resists wear and tear, even under heavy foot traffic or abrasive conditions
- Exclusive dimple pattern speeds wicking of liquid throughout mat for faster, easier cleanup
- Highly absorbent, fine-fiber construction won't leave liquids or fiber residue behind
- Absorbs and retains oils, coolants, solvents and water
- Flame-resistant material won't burn immediately like cellulose mats; melts when exposed to high heat while on the job
- Dispenser box makes mat easy to access, carry and store while protecting contents from dirt and moisture
- Rolls are perforated every 10"; easy to tear to size, use only what you need
