

PIG® Multi-Purpose Repair Putty

#PTY201 - 7" • 12 each

Sticks to nearly anything and cures concrete-hard within an hour for general plugging or repair

- Made with the highest-quality epoxy resins to adhere to steel, glass, masonry and most plastics
- Convenient, premeasured epoxy has Parts A and B in one tube ready for kneading
- Sets in 20 minutes and cures concrete-hard in 1 hour for drilling, tapping, sanding or painting
- Nontoxic, VOC- and solvent-free putty can be used on potable water lines
- 3- to 5-minute working time
- A great addition to any toolbox or response kit
