

Rotating Electrical Plug Lockouts

Outward/Inward Rotation Allows for Easier Application & Storage

- Surrounds the electrical plug; protects against accidental reconnection
- Unique, patent-pending rotating design allows for easier installation in confined space applications
- Complete with high-visibility permanent safety labels (English, French & Spanish). Labels can be written-on to identify the responsible person, then erased for the next job.
- Tough, lightweight, dielectric Xenoy® thermoplastic bodies withstand chemicals; perform effectively in extreme conditions [temperature range -50° F (-46° C) to +350° F (177° C)]

Compact Plug Prong Lockout

Compact Design Locks Out Smaller Plugs Easily & Effectively

- Locks on the prongs of 110-120 volt plugs
- Fits two prong plugs with and without ground
- Use with your existing lockout padlocks or lockout hasps
- Includes labels in English, Spanish, and French
- Patent Pending
