

WORKSafe® STRIKE

Gaining compliance with PPE policies remains a key challenge for Health and Safety Professionals! This can be particularly evident among younger employees and that's why WORKSafe® has developed the **STRIKE** goggles with them in mind.

Pioneering full vision goggles with exceptional wearer comfort, pressure never becomes a problem, even after long periods of wear. The lower and upper part of body is frosted to protect against light reflection and glare. **STRIKE** is suitable for use with half masks and filtering half masks.

STRIKE provides protection, total comfort and peace of mind. This is the goggles your workers will want to wear.
