

WORKSafe® eye protection

WORKSafe® BIONIX

This new generation of wrap-around panavision goggles with advanced cooling ventilation system is specially designed to provide total eye protection in optimal comfort even in extreme conditions.

Bionix with its dual density rubber and soft rubber nose provide a snug and comfortable fit for users throughout the day.

Additional Features >

- Soft, flexible dual density body adapts to face curvature, providing an exceptional universal snug fit for all-day comfort and maximum protection even in extreme conditions
- Wrap-around panavision polycarbonate lens deliver excellent peripheral vision and provide complete protection, even over prescription spectacles
- Fully adjustable headband offers comfort fit for all head sizes
- Advanced cooling ventilation system allows air flow, providing a pleasantly fresh interior environment
- Anatomical nose cushioning offers a secure and pressure-free fit
- Suitable for use with half masks and filtering face masks
- Cheek protector integrated with lens
- 100% ultra-violet (UV) protection
- Anti-fog coating prevents fogging, enhancing safety
- Hard coat for scratch resistance
- Available in your choice of body color: orange and light grey
- Higher velocity impact resistance than acetate lens
- Complies with ANSI Z87+ standards
