Packing	100 pcs/box, 10 boxes/case

550WSWGC-OR • 550WSWGC-RD • 550WSWGC-YL

Description GLOVE CATCHER

Jaws do not deadlock and will release with medium force under most conditions in the event of glove entanglement or entrapment. Dielectric construction. High quality industrial grade material (Delren) holds its memory. One handed release. Simple one piece design, doesn't separate; no rubber bands to lose. Exclusive "Pull-A-Way" design and not "Break-A-Way".

Applications

- Industrial
- Shipbuilding & Repair
- Automotive
- Petrochemical
- Construction
- Refineries

Description	Glove catcher (Available in orange (OR), Red (RD), Yellow (YL))
